COCO Flame – Premium Coconut Charcoal

- 100% natural coconut shell charcoal briquettes
- Eco-friendly alternative to traditional charcoal
- Designed for clean and efficient burning

Why Choose COCO Flame

- Smokeless and odor-free combustion
- Long-lasting heat for BBQ and grilling
- Chemical-free and food-safe

Sustainability & Environment

- Made from recycled coconut shells
- Reduces carbon footprint
- Supports sustainable energy practices

Perfect for Multiple Uses

- Ideal for BBQs and outdoor grilling
- Suitable for home and commercial use
- Reliable for heating needs
